Dear CMSgt Register

On behalf of the graduates and the Education and Training Flight staff, I would like to express our gratitude for the support your organization provided for the 2006 Community College of the Air Force graduation.

With your financial support, we were able to have a reception for the graduates and provide refreshments to their friends and families. We sincerely thank you for your \$100.00 contribution. Your support was recognized in the program that was provided to all the graduates and their guests. In addition, the Education and Training Flight will remember your organization as a group who cares about our enlisted force and our Air Force community.

Sincerely
