5. NEW BUSINESS:

- **FIRST SIX BRIEF (INFO)**

TSgt Nancy Huber, President of the Charleston 1st Six Association briefed on what the organization is trying to do for the base and the community. There has been a perception amongst the members that it was an organization that only did volunteer work. The new executive council is trying hard to change this and to turn it into an organization where the young Airmen can get some leadership opportunities. Please encourage participation in this organization to the Airmen in your squadrons!

We still need Chiefs to sign up for the ALS and FTAC panels. Please contact Chief Mike Branum if you are able to help out.

- **Command Chief Update**

Chief Willis briefed that we have a Sexual Abuse Response Coordinator (SARC) coming on board soon. All need to be familiar with the reporting requirements. He also briefed that Charleston's fair share of the AMC/CC Order of the Sword is \$900. Several organizations, 1st Six, AFSA, Top 3, First Sgts Council and the

Chiefs' Group, will be participating in Car Wash fundraisers to attempt to raise the money. Please come out and support!!

- **Open Floor**

Chief Strobel still needs information to make up a list of retired chiefs and addresses in attempt to increase participation.

- A motion was tabled in May concerning the donation to the 315th Airlift Wing CCAF graduation until more information was obtained. The POC is Chief Terry who was in TAP and was not at this meeting. More to come. **(OPEN)**
